SHIPPING & TRANSPORT S.A.

Think Forwarding

About us

Contrade SA was founded in 2005 and is an owner run, medium sized forwarder in Greece with Head Office at **Piraeus** and a branch office in **Thessaloniki**.

The company has dedicated sub agents in other ports in Greece such as Heraklion, Volos, Patras, Lavrion etc.

Our well trained team, in **short sea** and deep **sea container transports** offer fast and **reliable solutions** to **all our clients**, as **also** to our overseas partners.

Due to our involvement in **Intra European short sea services**, we have established with our partners unique services, with **self-owned 40' PWHC** and **45' PWHC** containers, offering to our customers **environmental friendly solutions** comparing to road transport.

In addition to container transports **all over the world**, we can offer road transport by **all kind of trailers**, as **also** cross trade transports and airfreight services via Athens Airport.

Services

- > **Short sea** and **deep sea** shipments by **all** kind of containers.
- > **Multimodal solutions** for intra - European destinations (combined transports)
- > **Light chassis** for delivering cargo export of Piraeus / Thessaloniki with maximum gross weight up to **26 tons in 40' HC**.
- > Door to Door delivery services for **all kind of containers** (ADR licensed drivers for handling **IMO cargo**)
- > Stripping and stuffing of container at our dedicated depots.
- > **20' ft tipping chassis** for cargo in tank container, flexi tank or liner bags.
- > Custom clearance and transit formalities.
- > **Warehousing** and **distribution services**.
- > Project cargo and oversized loads.
- > **Depot facilities** for full or empty containers with reefer plugs.
- > **Full trailer** and **groupage** transports **all** over Europe, Turkey and CIS countries.
- > Airfreight transports, as **also** full door delivery service via Athens airport.
